State of Kansas
Department of Health and Environment
Forbes Field
Topeka, Kansas 66620

Attention: Virek Kamath

Subject: Hazardous Waste Management

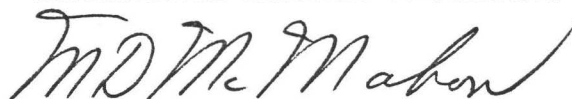

Gentlemen:

Please be advised that Westinghouse Engineering Service Division may generate a small quantity of hazardous waste. United States EPA was first notified in March, 1981 by our Westinghouse Corporate people. It was their intent to apply for an EPA identification number in the event that some time in the future we may generate a small quantity.

We are not presently a hazardous waste T.S.D.

Sincerely,

WESTINGHOUSE ELECTRIC CORPORATION

M. D. McMahon, District Manager
Kansas City Engineering Service
